We are going to have an awesome time this summer at Linworth Children's Center's SUMMER BLAST

LCC will provide many incredible opportunities for your school aged child (completed Kindergarten through 5th Grade) this summer.

Registration OPENS March 1st

Campers will need to enroll for all 10 weeks whether they attend every day/week or not. Payments may be made weekly or monthly. Each family will receive one week vacation credit per child this year to be used any time during the 10 weeks. Please give the LCC office 1 week notice for your vacation credit days for staffing purposes.

A non-refundable payment for the first week of camp is due with your child's camp registration form in order to hold your child's spot. Please note, there are limited spaces available for campers this summer. We anticipate spaces filling quickly!

We also offer a "Buy a Week Program" in which you can purchase up to three full weeks of camp. (Information found in packet)

Campers will be split into age appropriate groups.

LCC's Summer Camp

Some highlights of what campers will experience...

Arts and Crafts- Campers will work on several creative art projects throughout the summer. Projects will be done daily or worked on throughout the week as a group.

Cooking- A variety of cooking activities will take place throughout the summer. This will help reinforce science and math skills.

Inside Activities- Each day campers will have a chance to participate in one or more of the following activities: board/card games, computers, ipads, smartboards, free art, dramatic play, quiet reading, listening to music, and age appropriate toys.

Outside Activities- Outdoor activities include: playing on the playground, outdoor art, hockey, basketball, kickball, lacrosse, soccer, football, jump rope, water fun and group games.

Journals- These are created and worked on throughout the summer by the campers. The purpose of the journal is to document their time at camp, promote writing practice, and use scrapbooking/photography materials.

Snacks- Campers have a variety of fun and healthy choices to pick from each day for AM & PM snacks.

Mission Projects- During the summer campers work on mission projects to help organizations around our community.

Lunches- Campers will bring their lunch each day. Microwaves are available. Throughout the summer, we will have special lunches for campers to make or order out.

Field Trips- ***IF COVID-19 regulations allow, we will take field trips outside of the center.** During the summer our campers will have many opportunities to take trips away from the building. This allows the campers to be exposed to new and exciting environments. The camp teachers work to create activities centered around the trips to provide further enrichment. Chartered school buses are used for the trips and additional camp staff attend. Some favorite camp field trips include: the Zoo, COSI, Super Games, the Movies, Bowling and so much more! If campers would like to take part in a field trip that is planned for a day that they do not attend camp, depending on space available, they may come just for the field trip and pay the field trip cost.

Academics- While school is out for the summer, campers still need to keep their academic skills sharp. We work to implement a variety of opportunities for campers to maintain their academic skills. We do this in a manner that is fun and engaging. Many activities are done as group or as a game. We also offer fun rewards when work has been completed. Since all lead camp teachers are degreed teachers, they are able to focus on where each child needs to be academically and plan materials accordingly.

Staffing- Part of having a wonderful camp is having a strong camp staff. Each summer we are blessed to hire staff that have degrees in Education and have experience working with elementary aged children. Many of our camp staff return summer after summer because they love the LCC Camp atmosphere.
